

Cemetery, SC, York, Clover, BETHEL PRESBYTERIAN CEMETERY
By W. D. Floyd

To get to this cemetery from Clover, SC go east on Highway SC 55 for about 2.5 miles to the intersection with Highway SC 557. Turn north, left, and go 2.1 miles and the cemetery will be on your right. I started this survey February 26, 1998 and I started in the northeast corner of the cemetery. This is a large cemetery and the church was organized in 1764. There will be some errors in this survey. The markers are just too old and some are in really bad shape and next to impossible to read. Also there is lots of strange names and different spellings of the same name. There are many graves that are unmarked in any way. There are many, many old ancestors buried in this cemetery.
