TOM BURTON IS KILLED

Struck by Lightning at Bauxite Wednesday Afternoon

Talmadge Wright Severely Burned and Charley Brotherton Badly Shocked.

Tom Burton, aged twenty-six years, was struck by lightning Wednesday afternoon at Bauxite and killed.

When a severe rain storm came up six men under the foremanship of Charley Brotherton were clearing up underbrush on land of American Bauxite Co., on the south side of Benton road near the outskirts of the city. Three of the men,

## Descendants of William Wesley Burton

Burton, Brotherton, and Wright, sought shelter under a tree on the left side of the road. Lightning struck all three, but the tree was untouched.

It was several minutes before anyone went to the rescue of the men. W. F. Sisson passed the place and saw the men floundering around and supposed they were drunk and so reported at Lasater & Raper store. After a time Mr. Brotherton recovered sufficiently to make his way to the store; when Mr. Lasater and others went to their aid.

However, Mr. Burton died before he could be gotten in a car. Talmadge Wright was taken to the Bauxite hospital, where it was found that he was badly burned from the right shoulder to feet. Reports at noon Thursday were that he was getting along nicely.

Tom Burton is survived by his parents, Mr. and Mrs. Willoby Burton, of Belfast, his wife and two children. He was a good citizen. He had only recently recovered from a severe attack of rheumatism.

Burial was at Palestine Cemetery near Belfast Thursday afternoon.

Franklin Baldwin was listed as one of the pallbearers for Calvert Enoch "Slim" Burton in an obituary From The Benton Courier, dated August 3, 1979, page 6. Slim's surviving sister Bessie was listed as Mrs. Bessie Baldwin. I have entered Franklin as her husband knowing this is an assumption. kmp

Notes for MONTINE BURTON:

There is an entry in Book Q, page 540, in Saline Co., Arkansas, of a marriage between Montain Burton and D. M. Styers on 06-27-1925.

Yet, in the Pleasant Hill Cemetery, it lists David Marion Styers burial and next to him Montine Styers whose date of death was 02-25-1925... before the marriage??? Since this is a transcription of the cemetery index, perhaps this death date is in error.
