DYSON**, Washington, GA. He enclosed a statement of Captain **WILSON**, of the estate of Mrs. **LATHAM APON** which he based his letter of 06-DEC or Mr. **BRYAN**'s rather to **DYSON** in Milledgeville. He has just returned from New York and finds no reply. Captain **WILSON** is now an old man and is desirous of a settlement of this estate. It is a question whether **DANIEL LATHAM** was a legal heir of his wife. It appears that Mr. **BRYAN** and Captain **WILSON** maintained the Lathams and wish to be reimbursed "tell aunt **MARY SNEED** and **GRACE** that Mr. **BRYAN** fully concurs in admitting Captain **WILSON**'S demand to be reimbursed for these losses of grandmother's estate. You will greatly ablige me by an immediate reply".
