Martha, as best as I can tell from my research, this **JOHN BARTON** was the brother of **DAVID BARTON** m. **RUTH OLDHAM**, who were my ancestors.

JOHN was married to **RHODA/RHODY**. He is claimed by some to be Capt **JOHN BARTON** of King's Mountain. I suspect this is true, but another **JOHN BARTON**, married to **ELIZABETH PENNINGTON**, is also claimed to be the one.

My **BARTON** family was in Stafford, Prince William & Fauquier Counties before **DAVID** and **RUTH** left in late 1771 or early 1772. I don't know when **JOHN** left Fauquier Co, but I have a record of him there as late as 1777. One family member claims he performed a marriage in Wilkes Co NC in 1779. I believe he was the **JOHN BARTON** who was Justice of the Peace in Wilkes County NC during the early 1780s until he moved to the Tugaloo River area ca 1785.

Hope this helps.

Terry
