Genealogy of the Culbertson and Culberson families

INTRODUCTION

I have given in this work as accurate and complete a history of the Culbertson and Culberson Families as could be obtained from family records sent me by various families in this country, Scotland and Ireland; by searching the Will and Deed Records in many of the counties, and assess books in a few counties; also from records of French and Indian and Revolutionary War soldiers. I have obtained all marriages of Culbertsons given in Pennsylvania Colonial Archives. I have "not left a stone un-turned" in obtaining full and accurate accounts of various families and my labor has been unceasing and difficult.

I have classified the various families into Sections, Parts and Chapters. Have not attempted to give any of the purely Scottish families that came to America until after 1800. There were a great many Irish families came to America since 1800 but I do not include them with two exceptions, as it would take too much time and labor to trace them out.

I have used a key to simplify the work, which is as follows:

- Letter s means that party was Scotch and emigrated to Ireland.
- The capitals of alphabet indicate that party emigrated to America but do not mean that parties (capitals) are related.
- The children of each one that emigrated to America are numbered by Roman numerals I, II, etc..
- The grandchildren are numbered 1, 2, 3, 4, etc.

I am indebted to the following parties for valuable information: John N. Culbertson, Thomas G. Culbertson of Wheeling, Mrs. Rev. Bigham of Plain Grove, Pa.; Mr. Henry Culbertson, Medina, Wis.; Mrs. J. Witherspoon; Mrs. Sarah R. H. Culbertson; parties in Scotland and Ireland; W. W. Culbertson, Ashland, Ky.; Almon FE. Culbertson, New York City; Mrs. Blanche C. French of New York City; Walter F. Beverly, Richmond, Va.; Frank Culbertson, Oil City, Pa.; James A. Culbertson, Cincinnati, Oh.; J. J. Culbertson, Paris, Texas; H. D. Culbertson, Albert Lea, Minn.; Mrs. R. H. Fink, Norton, Va.; J. W. Berryman, Ashland, Kan.; R. R. Culbertson, Central City, Ky.; Howard Cessna, Bedford, Pa.; John G. Orr, Chambersburg, Pa.; Mrs. Mary R. C. Hood, Joplin, Mo.; Mrs. Sevilla J. Kempton, Washington, D. C.; Major General E. M. Lewis, San Antonio, Texas; Mrs. George Spangler, Peoria, Ill., and many others too numerous to mention, to all of whom I return my sincere thanks. Likewise, I heartily thank all my subscribers and all who have aided me in any way.

The Revised Edition has been carefully compiled from family and Bible records, wills, deeds, settlements, sale-bills, inventories, tax records, U. S. Census records 1790, and in some instances 1800, pension records, land (pension) grants, Congressional Records, state land grants, State Archives, Colonial and Revolutionary and Historical works, and in some instances county histories.

Genealogy of the Culbertson and Culberson families

CHAPTER XXXVI

FIRST GENERATION

(K) Robert Culbertson died about 1766-67 and his wife was made executrix as per will. This will is not on record in New Castle Co., Del., and court officials there tell me it was probably destroyed by the British, during the Revolutionary War, at Chester, Pa., where the records were kept for a time. The said will is referred to in settlement of Robert Culbertson's estate (Settlement Record D-1-346, New Castle, Del.) "Joseph Barton and wife, Sarah, (late Sarah Culbertson, relict of Robert Culbertson) of this county said Sarah, executrix of Robert Culbertson, hereby files account with court. Amount £190, etc., etc., disposed of as per will of Robert Culbertson, deceased. Account approved by court, 1772."

Also see Deed Book, W-1-131, New Castle Co., Del. "Dec. 14, 1762, . **CHARLES BRYAN** of St. Georges Hundred and **MARY (CAMPBELL BRYAN)** his wife to Robert Culbertson of Mill Creek Hundred. Recorded Feb. 14, 1763. Witnesses **JOHN BRYAN, CHARLES BRYAN, Jr.**"

The author is under the impression that **MARY (CAMPBELL BRYAN)** was an aunt of **ROBERT CULBERTSON**.

Also see Deed Book Y-1-421, New Castle, Co., Del. "Jan. 15, 1768, Sarah Culbertson, widow of Mill Creek Hundred, to **ALEX [ALEXANDER] BRYAN**. Said Sarah Culbertson being a daughter of Sarah Murphy and the latter was a daughter of John Campbell. Land in Mill Creek Hundred."

Also Guardian Record E-1-5 "**ANDREW J. BRYAN** appointed guardian for **ALEXANDER [BRYAN]** and Robert Culbertson, minor heirs of Robert Culbertson, deceased, being 15 years of age."

Robert's widow married Joseph Barton as the following deed shows (See Deed Book G-2-46) : "Dec. 14, 1786, Joseph Barton of Mill Creek Hundred, New Castle Co., Del., leases land on London Line to Sarah Barton (his wife) and Thomas Culbertson, both of Mill Creek Twp."

The following Power of Attorney shows that Robert's sons, Thomas and Robert, went to Westmoreland Co., Pa., in 1787. "Thomas Culbertson of Derry Twp., Westmoreland Co., Pa., and Robert Culbertson of Salem Twp., Westmoreland Co., Pa., do hereby appoint, etc., Joseph Barton of Mill Creek, Twp., New Castle Co., Del., to recover debts, etc.'" (See Deed Book R-2-p. 46, Wilmington, Del.) Robert Culbertson, Sr., married Sarah Murphy. Issue:

CHAPTER XXXVII

THIRD GENERATION

(1) Thomas Culbertson of Mill Creek Twp., New Castle, Twp., Del. took the Oath of Allegiance Jan. 9, 1778." (See Del. Archives, Vol. I).

Thomas Culbertson of Del. does not appear on Cumberland Co., or Franklin Co., Pa. court records, or tax lists. In Census, 1790, he is given in Hempfield Twp. Westmoreland Co., Pa.: 3 males over 16 years, including self; wife and one daughter. Census 1800 Derry Twp., same county: males under 10 years, 3; males between 10 to 16 years, 1; males 16-26 years 1; females of 26 and under 45, 1; females over 45, 1. The census of 1790 shows he had then 2 sons, 16 or over, therefore married by 1772-3 If age of wife, Nancy Ogle, is correct and Census 1790 correct, then he must have married twice as Nancy Ogle born 1758 would have only been 15 years old in 1773. Census of 1800 shows that enumerator had either put Thomas' age wrong or left him out as item shows in census males over 45, none. Dr. Geo. Culbertson of Greensburg, Pa. in 1892 wrote me that he was buried in cemetery of Unity Presbyterian Church, near Latrobe, Pa., and that he died Aug. 12, 1823, aged 69 years. Nancy, his wife, died Feb. 18, 1838, aged 80 years. In the first letter he said he had written the minister of Unity Church who had not replied, and Dr. George in a later letter gave above dates and did not state whether he had gotten them from tombstone. Made his will Aug. 19, 1819. His grand-son, Thomas of Nankin, Ashland Co., Oh., in 1892 wrote me that Thomas, Sr., married Miss Nancy Ogle of near Wilmington, Delaware.

Examination of records of Unity Church recently and of tombstones there fails to reveal name of Thomas Culbertson or his wife.

(9) Alexander Culbertson, Jr., was educated for the ministry. When a young man, in 1840, he made a trip to the Falls of St. Anthony, Wis., for his health. Made a trip by boat and kept a journal of his travels. This journal is very interesting. I have read other letters written by him, which show that he was a man of great intellect and of a poetical temperament.

He sold his farm in 1816 and bought a farm in Allegheny Twp., same county, where he died in 1835. Mar. first _____. Issue: Obtained from deeds and administration. His son, Robert Barton Culbertson, of Hart Co., Ky., was evidently his eldest son, born 1783. The middle name being Barton, shows he was named after his step-grandfather. (1) Robert Barton Culbertson. I was informed in 1892 by descendants of his brother Alex. That he had moved to near Mammoth Cave, Ky. <A letter in 1922 from Robert's descendants in Kansas enabled me to trace out Robert's history. A grandson in 1922 says that Robert B. when he (William B.) was a child told him of Culbertson Row and about Zanesville and a David Culbertson and a sister, Mrs. Campbell, near Zanesville. Says that Robert B. not liking his step-mother ran away from home as did his sister (Elizabeth) and they lived near Zanesville, Oh. (This was evidently with his brother Alex. who came to Zanesville in 1810). That Robert B. first went to the Carolina's and later went to probably Christian Co., Ky. Christian Co. records do not show him. He later moved to Hart Co., Ky (this adjoins the county in which is located Mammoth Cave). There he married Elizabeth Cook, an English girl. He must have been twenty-seven years of age by that time (after 1810) and settled on the Green River. He died in Hart Co., Ky., aged \$2 years.

CHAPTER XXXIX

(III) Alexander Culbertson bought land of Alex. Guthrie of Delaware in 1787 in Hempfield Twp., Westmoreland Co., Pa. He sold part of this in 1807 to Thomas Culbertson of Derry Twp., and balance of land in Westmoreland Co. in 1813. Wife's name Ruth, moved to Wayne Co., Ohio, in 1818-14. Family records say he moved to Millbrook, Wayne Co., Ohio. His son stated in 1855 that his father was in the Revolution. Could find no Revolutionary service for him in Del. Arch. His will was made in 1830, died in 1833 in Plain Twp., Wayne Co., Ohio. It is my opinion that Alexander left New Castle Co., Del. in 1778; went to Cumberland Co., Pa. I find an Alexander Culbertson was "taxed in 1782-3 in Newton Twp., Cumberland Co., Co., Pa. with one horse and one cow—Trade 5.' This township abutted Teboyne and probably formed from it. It is my opinion that this Alexander was the Alexander Culbertson who "served in Capt. Noah Abraham's Co., 8th Battalion, Col. James Johnson, Aug. 10, 1780." (Vol. 23, 3 Ser., p. 699 Pa. Arch.)* No further record is found of him in Cumberland Co., Co. after 1783. He evidently was only a renter in this county. After 1775 he does not appear on records of New Castle Co., Del., although Thomas appears there in 1786. Does not appear on Deed Records of Westmoreland Co. until 1787. There were absolutely only three Alexander Culbertsons of military age in 1780 in Cumberland Co., Co., Pa. Alexander is given in 1790 Census, male over 16 (self) one, males under 16 three, females wife and 2 daughters (Westmoreland Co.) Census 1800 gives Alex's age between 26 and 45. Wife ditto. Had five more children than he had in 1790. Residence Derry Tp. Probably married about 1780. Could not give names of other children. They must have died young as they are not mentioned in his will. Married Ruth Tax lists Westmoreland Co. 1776-1800 Lost.

*McCauley's Hist. Franklin Co., Pa., says, "Noah Abraham and his Co. was from Path Valley. (Newton Twp. adjoins their section.)"
