THE HOLLIMAN FAMILY

### SECOND GENERATION

While we are reasonably certain of his ancestry, we are not certain of his father's identity. According to Dr. **CHARLES HOLLIMAN** of Raleigh, NC, perhaps the foremost authority on the Holliman Family, **JAMES** was the son of **SAMUEL** who lived on the county line between Johnston and Dobbs (now Wayne) in NC, on both sides of the Little River, some of this land being sold to **JAMES**.

Revolutionary War Pension Application or **JAMES HOLLIMAN**, Number 5-9590. states that he enlisted as a soldier in Johnston county, NC. and also lived there after the war until 1793, then lived in Lancaster Co. SC. one mile from the North Carolina line in an area once in Anson County, NC. It should be noted that some of his children said they were born in NC, and others said SC. It is known he mined land on both sides of the border. A deed in 1800 shows he is of Lancaster Co., SC and a deed for 1803 lists him living in Mecklenburg Co., NC. He may have had land in both states. Some censuses also showed that he lived in adjoining Chesterfield Co., SC.

The following Land transactions, all in Johnston Co., NC, are recorded in the Johnston Co., NC Deed and Grant Books Noted: (Remember: there were at least four James of the same generation. There is no way to sort out which one bought what in Johnston Co.).
