Hello,

We visited the center on April 20th, we spoke of a book by **JAMES EDWIN HALE**. We have an extra copy of his book that we would like to donate. This book has some interesting items; one being the painting of **JAMES BRIAN**, Jr. the sheriff of York Co., SC. This painting is owned by **ELLEN LANE** of Rock Hill, SC.

Some of information Mr. Hale has come from other researches, especially on the Brian(t)/Bryan(t) line. Information gleaned from this book should be documented before publishing...not sure of it validity.

Thank you for helping us while visiting the center.

Sincerely,

Martha M. Brian
