 inhabitants of Anson for]
 a division of county]
 east & west line]
]

To the honorable, the members of the Senate and House of Commons met in General Assembly the petition of the inhabitants of the upper end of the county of Anson humbly sheweth that your petitioner's labors under great hardships and disadvantages in crossing the many bad water courses in traveling to attend the county courts of the said county as jurors and to attend at general musters and elections and other publick meetings held at the courthouse of the said county by living remote from the said courthouse it being situated in the lower end of the said county, which at the time the courthouse was situated there was the center of the bulk of the inhabitants then settled in the said county, but as the upper end of the said county within a few years has grown populous and is settled with a sufficient number of taxable inhabitants to support and maintain a county expense & c. [etc.] and at this time the county of Anson is from north to south upwards of 100 miles in length and from east to west about sixty miles through which the river Pee Dee runs in angular form so that a division by the said river would relieve none of the hardships and disadvantages which your petitioner's labor under as the said river runs from north west to south east through the said county and in the south of the south of the said county from north to south, river exceeds twenty miles on an east line to the line of the Cumberland county. Wherefore your petitioner's humbly prays that the of Anson be divided by the road landing from Munros [Monroe's] Bridge on Drowning [Drowning] Creek to Colson's Fery [Ferry] on Pee Dee River, and, that at a point in the said road oposite [opposite] the mouth of Rocky River the said line to be, begun and run a west line crossing the river Pee Dee through the mouth Rocky River and into the dividing line between this county and Mecklinburg [Mecklenburg] county, and that all the lands now contained within the bounds of Anson county north of the said line be a distinct county and have all the privileges that any other county in this state are entitled to and your petitioner's sall [shall] in duty bound every pray & c [etc.].
