Declaration of **JAMES HOLLIMAN** on this 2nd day of October 1833 personally appeared before me **JAMES GORDON**, one of the acting justices of the peace for the county of Anson, **JAMES HOLLIMAN** a soldier of the revolution, he being very infirm and not able with convenience to travel to a court of record and aged 83 years who being first duly sworn according to law doth on his oath make the following declaration in order to obtain the benefit of the act of Congress passed June 7th 1832.

That he entered the service of the United States under the following named officers and served as herein stated:

I turned dit as a volunteer under Captain **HENRY FINCH** to serve every call of our officers to keep under the Tories and other out liers in Johnston County and adjacent counties. Served two months and was dismissed by Captain **FINCH** the month and year not recollected but thinks it was at the beginning of the war.

Not long after I was drafted to serve a 3 months tour, a private in Captain **HENRY FINCH**'s company again, march to Kingston on Neuse River; then across the river at Cox's ferry; then on towards Trent River; then on near Wilmington. After halting sometime we march through Duplin County to Drowning Creek at the Fair Bluff; then march to Elizabethtown on Cape Fear River; then back to Smithfield, in Johnston County, where we first marched from. Served three months, got discharged and went home.

In about 12 months was drafted for another 3 month tour and March under Captain **JOHN TRENT** under Colonel **NEEDHAM BRYAN** and marched across Tar river towards Tarborohgh town; and through Greene County and on near Edenton, expecting to meet British and Tories; and after staying there a few weeks marched up Roanoke River to Halifax town and was stationed there about 2 weeks; then on through Nash County in pursuit of Tories; and into Wake County. Served three months and was discharged by Captain **TRENT**, the year not recollected.

Some four or five months after this, I, with a number of others, were called on by Colonel **JOHN SMITH** of Johnston County to guard a feral of British prisoners about, one hundred and thirty in number that was sent to Smithfield to be guarded until they could be exchanged. I served as guard two months and was discharged by order of Colonel **SMITH**.

He remembers being in General **GREEN**'s army in his rout toward Wilmington, but did not remain long with General **GREEN**.

He also remembers of being mustered by adjutant **CHILDERS** while with General **GREENE**'s Army, the year not recollected.

War, Rev, Pension, JAMES HOLLIMAN S9590

Not long after I was discharged from guarding the British prisoners, orders come for some eighteen months men to be raised. I for one turned out a volunteer, and when orders come to march I sent my servant in my place and I was discharged.

I have no papers to prove what year but it was near the end of the war as well as recollected. Neither have I any papers, nor do I know of any person now living, by whom I could prove my services.

I hereby relinquish is every claim whatever to a pension or annuity accept the present and declares his name is not on the pension roll of any agency of any state.
