Court of pleas and quarter sessions, August term 1832.

On the 28th day of August, 1832, personally appeared in open court before the justices of the said court of Mecklenburg open and held for said county in Charlotte on the 4th Monday of August and now sitting **ROBERT ROBISON** aged eighty two years who being first duly sworn according to law doth on his oath make the following declaration, in order to obtain the benefit of the act of Congress passed June 7th 1832 that he was born in the state of Pennsylvania in the county of Lancaster in the year 1751 and removed to the state of North Carolina, Mecklenburg county aforesaid where he was about the age of 14 years, where he has resided ever since; that he has now no record of his age - that it was recorded in his father's bible which bible is lost or destroyed, that in the year 1779 at which time he resided in Mecklenburg county he volunteered for three months under Captain **JOHN SHARPE**, that Colonel **HAMWRIGHT** was his Colonel that in November of the same year they left Charlotte and marched on to Camden and then on to Charleston -- where they joined General Lincoln commander of the Southern Army of the Continental line and that he served the time for which he volunteered and was regularly discharged by Colonel **HAMWRIGHT**, which discharge he has lost by sending it to the Legislature of North Carolina. That in 1780 he again volunteered as a private under Captain **WILLIAM ALEXANDER** in a company of Mounted Riflemen, and that Colonel of the Regiment was **WADE HAMPTON**, under General **SUMPTER [THOMAS SUMTER]** that volunteered in the State troop of South Carolina that he served 4 months of this tour and got permission from his superior officer to return home, at the expiration of the said 4 months. That in the year 178? he served 2 months under **JAMES** or collecting provision for General **DAVIDSON** Army. That he again volunteered in Captain **MCKNIGHT**'s company and **ROBERT IRWIN** was the Colonel and were stationed at the Tuckaseegee Ford on the Catawba, the object of the company was to prevent Cornwallis from crossing the River when he was in pursuit of General **GREENE**, he was out on this tour 6 weeks. He was 1780 a volunteer under Captain **THOMPSON** and was in active service under him during the time that Cornwallis was in Charlotte, that he was out on this tour 5 or 6 weeks, the whole of the time he was out in the service of the United States was about 10 months, that what time he was not a volunteer in the State Troops of South Carolina he was a volunteer in the militia of North Carolina. That he was out about [words illegible] under Captain **KNOX** and was present in the engagement at Ramsour's Battle [Ramsour's mill] in Lincoln where it the Tories under the command of Colonel **JOHN MOORE** were defeated. That the greatest portion of the men in this engagement were volunteers upon short notice, that having received intelligence that the Tories had assembled they collected as soon as possible, and after having affected the object for which they had volunteered returned home, and he further declares that he was in the battle of the hanging rock as a volunteer under Captain **REED** = and was

out about 2 weeks - that he hereby relinquishes every claim whatever to a pension or annuity except the present and declares that his name is not on the pension roll of the agency of any State. That he has no documentary evidence of having served in the revolutionary war - that his discharges are lost - that as to his character for veracity he refers to the Reverend **HALL MORRISON**'s [**ROBERT HALL MORRISON**] certificate and the certificate of **WILLIAM ALEXANDER** and **JOSEPH GRAHAM** hereunto appended that he was in the service of the United States during the Revolutionary War.
