Montgomery County Petition, 1788.

(November 1788) 'Do the Honorable Speakers and Gentlemen of the General Assembly, the Petition of Parte of the Inhabitants of Montgomery County Humbly sheweth that they live very remote from the Courthouse at sd county, some not less than forty miles and the Pee Dee River to cross which is sometimes impassable and renders it very difficult and inconvenient to perform the duties incident to a court. Your petitioners further shew that many of them have not more than half the distance to go to Richmond County court and better roads and no waters to interrupt therefore most humbly pray your honors to Pass an act to annex your Petitioners to Richmond County by a line to be run from Coleson's ferry landing on Pee Dee River direct to the head of Drowning Creek and all that part of Montgomery county east of said line to be annexed to Richmond County and your petitioners in duty bound will ever Pray:
