

Halifax County VA 1782 - 1790

This list was compiled from several internet sources of Halifax County VA records between 1782 - 1790 in an effort to get as many "spelling guesses" as possible in one place. If you find an ancestor listed here but not in any other Halifax County sources, it is a good indication that one of original sources has the name "spelled differently" or "abbreviated".

What we did to build this list.

Tax lists, census records, etc. were collected (text files). The names from the sources were merged. Abbreviated first names were spelled out. Titles, Jr, Sr, Dr were removed. The names were sorted (by surname, then first name). Exact duplicates were removed.
