Pension, SC, Lancaster, JAMES HOLLIMAN 1854

State of South Carolina
Lancaster District

To The Honorable the members of the legislature of the said state

Your petitioner shows to you your honorable body that their father **JAMES HOLLIMAN** was a soldier in the Revolutionary War that part of his service were rendered in this state and has he lived near the North Carolina he done duty in that.

Your petitioners have often heard him speak of his serving and his suffering and the hardships and dangers he underwent in the war from which your petitioners infer that he served his country long and faithfully as a soldier. He always lived in this state and died in this District on the 8th of May A.D. 1836.

Your petitioners further show that in consideration of the services aforesaid your honorable body placed the said **JAMES HOLLIMAN**, several years before his death, upon the pension roll and allowed him a pension. When this was done, and how much annually was accorded to him, your petitioners don't know. They do know however that he drew several years before his death and that Mr. **SIMON HUBBERT BECKHUM** was his agent for that purpose.

Your petitioner further shows that they are only surviving children of the said **JAMES HOLLIMAN** that after his death there was no administration on his estate for he had nothing to be administered.

Your petitioners are informed and believe that some part of his pension money was do and in arrears at the time of his death which your petitioners pray may be paid over to them.

Your petitioners will ever pray
