

Will, NC, Rutherford, THOMAS MOORE 1809

In the name of God Amen.

This 12th day of June in the year of our date 1809. **THOMAS MOORE** of Rutherford County and state of North Carolina being in a lowly state of health but of perfect mind and memory to make and ordained this instrument signed with my own hand to be my last will and testament.

IMPRIMIS I recommend my soul to heaven and my body to the earth to be interred in a humane burial and the expenses therefrom arising together with other just debts if there first to be paid if any there first to be paid.

As a considerable part of my estate depends on the issue of suits in court of law and equity in South Carolina, some of which are not yet decided and of course the sums coming to me could not be ascertained; I am therefore obliged first to devise my Negroes, setting a price upon each. I will then make out a list of obligations in my hands for money and lastly I will state as near as I can what will be the amount of the undecided claims, the amount of which obligations and claims when collected are to be disposed of in the manner herein after mentioned.

the hands of **ABE SMITH** the three worth about \$800

\$13,295

The land and the three last mention Negroes I allow my executor to sell at private sale as I have promised the refusal of the land and wish to keep my words the money arising from the obligation and claims above mentioned also from the land and the three last mention Negroes, I shall dispose of as follows.

To my executor I give and bequeath four hundred dollars as compensation for transacting the business which I expect will be attended with difficulties the remainder I wish to be divided between **MICHAEL MOORE** Senior, **JOHN MOORE**, and the children of **WILLIAM MOORE** deceased, jointly in such proportion as when including the amount they have received in Negroes will make the share of each equal. As I wish to leave no room for misunderstanding my meaning is, that my brother **MICHAEL MOORE**, **JOHN MOORE**, the children of **WILLIAM MOORE** deceased (these last jointly) should each have a third part of my estate, except the allowance made to my executor & some other things hereafter mentioned.

Will, NC, Rutherford, THOMAS MOORE 1809

As to the third part which is coming to the children of **WILLIAM MOORE**, deceased, as I cannot tell the amount I cannot proportion it out amongst them, they ... either divide it themselves or leave the division to men.

To my nephew **MICHAEL MOORE** I give and bequeath my holsters and pistols also a claim of debt against **THOMAS DAVIS** of Rutherford County the amount of which including a note of hand which I gave him to collect on a certain **EDWARD CORNWELL** is \$350. If he accounts for or returns said note it will then be two hundred and fifty dollars which some is secured by a mortgage on the land where on the said **DAVIS** now lives.

To my brother **JOHN MOORE** I leave my watch also a mahogany sideboard that stands in the house of **MICHAEL MOORE** in Columbia also everything else of mine that may be found on his Plantation or in his possession as I recollect nothing worth mentioning.

I do hereby nominate and appoint my brother **JOHN MOORE** sole executor of this my last will and testament. And testimony whereof I have hereunto set my hand and I fixed my seal the day and date above written.
