Will Probate, SC, York, Elizabeth Brumfield 1835

District of York]
State of South Carolina] 2 Dec 1835

In the Name of God Amen

I **ELIZABETH [PATTON] BRUMFIELD** of the District of York and State of South Carolina being at this time of Sound and disposing mind and memory and calling to mind that it is appointed for all once to die and feeling desirous to dispose of the things of this World which it has pleased God to bless me with do hereby make this my last will and Testament in the following manner, to wit;

My soul I recommend to God who gave it and my body to be interned in a christian like manner then as seen as convenient after my decease I will and desire that my executor expose to public sale the whole of my estate both real and personal except my slaves which I allow to have the liberty of choosing their own masters and sold by my executor at private sale for whatever he can obtain for them then out of the amount of sale of my whole estate I allow my funeral expenses and all the expenses attending the distribution of my estate and all my just debts to be paid.

I also allow my slaves to have all their own little property.

I then leave and bequeath unto my brother **JOHN PATTON** one hundred dollars also to my brother **DAVID PATTON** one hundred dollars.

To my beloved friend **JAMES FEEMESTER** one hundred dollars.

Also to my niece **ESTHER WALLACE** daughter of **JOHN [WALLACE] & ESTHER WALLACE** thirty dollars when she marries or comes of age.

Also to my niece **ELIZABETH [CARROLL]** daughter of **HENRY [CARROLL] & EVE CARROLL** to be paid when she marries or comes of age thirty dollars.

Also to my niece **ISABELLA WALLACE** daughter of **WILLIAM [WALLACE]** and **ISABELLA WALLACE** thirty dollars to be paid when she marries or comes of age.

Also to my sister **SARAH JAMES** twenty dollars.

Also to my sister **JANE JAMES** five dollars.

Also to my sister **MARGARET ROBERTSON** five dollars.

But should my estate amount to more than is before bequeathed it is my will that it be divided in proportion amongst the legatees herein mentioned except the last mentioned three to wit **SARAH JAMES, JANE JAMES & MARGARET ROBERTSON** which is only to receive the amount specified & let to them.

And should my estate net amount to me much as before bequeathed the sums bequeathed is to be deducted in proportion to their respective sums except the last three as above mentioned who is to have the amount specified and left to each in any case and it is further my will and desire that my executor let my slaves go to the masters they choose if they will buy them even at a such reduced price rather than sell them to these to whom they may not want to go in any case I allow them to be sold at private sale.

Will Probate, SC, York, Elizabeth Brumfield 1835

Lastly I wish and desire and do hereby appoint my friend **ANDREW MCWHORTER** my executor to execute this my last will and testament hereby revoking and making void and setting aside all former wills by me heretofore made hereby ratifying and confirming this my last will and testament.

In witness whereof I have hereunto set my hand and seal this second day of December in the year of our lord one thousand eight hundred and thirty and the fifty fifth year of the independence of the united states of America.
