State of N^o Carolina To the Honourable, the members of the Senate
and house of Commons met in General Assembly—

The petition of the Inhabitants of the upper end of the
County of Anson Humbly sheweth that your petitioners Labour—
under Great Hardships and Disadvantages in Crossing the many bad—
water Courses in Travelling to attend the County Courts of the S^c—
County as Jurors and to attend at General meetings and Elections
and Other publick meetings held at the Court house of the S^c County
by living remote from the S^c Court house it being situated in the
Lower end of the S^c County which at the time the Court house was
situated there was the center of the bulk of the Inhabitants
then settled in the S^c County, but as the upper end of the S^c County—
within a few years past has grown populous and is settled with
a sufficient number of Taxable Inhabitants to Support and
maintain a County Expence &c and at this time the County of Anson
is from north to south upwards of one hundred miles in Length
and from east to west at least 40 miles in Breadth which the

and from north to south upwards of one hundred miles in Length
River Pee Dee runs in an angular form so that a Division
by the S^c River would Relieve none of the hard ships and Disadvan-
tages which your petitioners Labour under as the S^c River runs
from north west, to South East through the S^c County and in Length of
the S^c County from north to South, never exceeds Twenty miles on an
East Line to the Line of Cumberland County,

Wherefore your
petitioners humbly pray that the County of Anson be Divided
by the Road Leading from Munros Bridge on Drowning Creek to
Colson ferry on the Pee Dee River and that at a point in the S^c Road
opposite the mouth of Lockett River the S^c Line to be begun and
run a West Line Crossing the River Pee Dee through the mouth
of Lockett River and into the Dividing Line between this County and
Micklenburg County, and that all the Land now contained within
the bounds of Anson County north of the S^c Line be a distinct
County and have all the privileges that any Other County in this
State are Intitled to and your petitioners shall in Duty Bound
ever pray &c
